Arts of the Garden Lecture Series

Saturday, July 11 – See page 8 for details

Morning Lecture: A Natural Harmony: Feng Shui in the Garden & Landscape
 Afternoon Lecture: Architecture, Art, Landscape

CORE CLASSES

A [CORE CLASS] is a basic, functional class designed to assist beginning students with developing their skills and knowledge around the creative and artistic process of making art.

Early Registration Discount For Currently Enrolled Students

**Summer I ends May 30
 Summer II ends July 6**

Early registration discount for currently enrolled students ends 3 weeks before the start of the next session!

Only students currently registered in the session immediately prior to the one for which they are registering are eligible for the early registration discount.

Current students will receive: **\$5 off a course 4 weeks long and \$10 off a course 5 weeks or more in duration.**

ONLY ONE DISCOUNT ALLOWED PER SESSION

Register Early

We hate to cancel classes, and we know you dislike cancellation calls from the Art Center, but we need to make a decision about a week before a session begins as to whether to run a class or not. Unfortunately, we get several calls after a class has been cancelled, so please help us deliver better service by registering early to secure your space in a class.

Registrations will be accepted after a class has begun if space permits and with the permission of the instructor. **Tuition is not pro-rated for students who enroll late.** Registrations are date stamped and classes are filled on a first come, first served basis, so call us or send your form in right away.

Cancellations & Transfers

The Art Center charges a \$5 administrative fee for every registration cancellation and/or transfer by a student.

- 100% refund (minus \$5 cancellation fee) if you cancel one week or more prior to the class start date.
- 50% refund (minus \$5 cancellation fee) if you cancel less than one week prior to the class start date.
- No refund if you cancel the day classes start or later.
- No refund if you cancel less than a week before a workshop.
- Transfers must be made not less than one week prior to class start date and are subject to a \$5 administration fee.
